CENTRA 9 Call for Presentations

JAN 11 - 13, 2026

PATHUMTHANI, THAILAND

With the theme “**Connected Intelligence & Technology for Sustainable Societies**,” CENTRA 9 highlights collaborative research and innovation that addresses global challenges through connected intelligence.

We welcome contributions that foster sustainability, resilience, and long-term collaboration across the CENTRA network.

Categories

- **New Project:** proposals for new initiatives
- **Project News:** updates on ongoing collaborations
- **Project Report:** results, outcomes, or lessons learned
- **Student:** innovative ideas, prototypes, or early-stage projects led by students
- **Technical Paper:** original research, case studies, and innovative solutions that tackle current ICT challenges, provide practical insights, and contribute meaningfully to the field.

Submission Instructions

- Prepare and submit an extended abstract using [the IEEE proceedings template](#) with a minimum length of 500 words and up to 2 pages maximum.
- The accepted extended abstract for New Project, Project News, Project Report, and Student will be included in the Zenodo Global CENTRA Community collection, if desired.
- For Technical Paper, all accepted papers will be archived in the Zenodo Global CENTRA Community collection.
- To be considered for recommendation to [the ECTI-ARD journal](#), please also prepare a full paper (8–10 pages, PDF).

Scope

- Advanced Computing Cyberinfrastructure
 - Agentic AI & Multi-Agent Systems
 - Edge–Cloud Continuum Architectures
 - Federated Learning & Distributed AI Frameworks
 - Privacy and Cybersecurity
- (but not limited to the above)*

Presenter Information

Researchers, students, practitioners, and policymakers interested in advancing connected intelligence and sustainable technologies. Cross-sector and cross-country collaborations are strongly encouraged.

Accepted submissions will be presented as 10–15 minute talks or demos during thematic sessions. Presenters will have the opportunity to engage in discussions and explore potential collaborations with CENTRA partners.

Important Dates

October 10, 2025	October 16, 2025	October 19, 2025	October 31, 2025	November 20, 2025	December 8, 2025	January 11-13, 2026
Extended Abstract Submission Deadline	Notification of Acceptance	Early Registration Deadline	Full Paper Submission Deadline	(Optional) Full Paper Notification	Regular Registration Deadline	CENTRA 9 Meeting Dates
